ECHO HOUSING CORPORATION

ECHO Housing Corporation was founded in 1991. ECHO Housing Corp. is a non-profit community development corporation that seeks to break the cycle of homelessness with transitional and permanent supportive housing and supportive services for men, women and children.

ECHO HOUSING HOMELESS VETERANS REINTEGRATION PROGRAM (HVRP)

In July 2012, ECHO Housing Corporation received a 3 year grant award for the Homeless Veterans' Reintegration Program (HVRP). The mission of HVRP is to provide services to assist in reintegrating homeless veterans into meaningful employment within the labor force and to stimulate the development of effective service delivery systems that will address the complex problems facing homeless veterans.

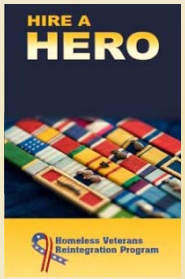

Through a network of government and community partners, ECHO HVRP facilitates employment related and supportive services for homeless veterans to maximize potential for successful, long-term employment and permanent self-sufficiency.
